

6-4.C HEALTH AND SAFETY

REQUIREMENT

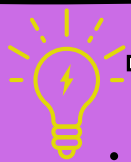

6-4.C Staff shares evidence-informed parenting materials designed to promote health and safety practices based on family needs.

How is this rated?

- **Exceeds Standard (3)** - Staff share information with all families designed to promote evidence-informed health and safety practices.
- **Meets Standard (2)** - In the past, staff did not share this information with all families; however, **recent practice** (past 3 months) indicates that this is now occurring.
- **Does not Yet Meet Standard (1)** - Staff **do not yet** share information with all families designed to promote evidence-informed health and safety practices.

DOCUMENTATION REVIEW

- ☐ Home Visit Records include what evidence-informed health & safety information is shared in the "FSP Progress" or "Curriculum Implementation" sections
- ☐ Family Service Plan - may have documentation if information is related to plans

TIPS FOR COMPLETING

- Health and safety topics may include topics such as smoking, SIDS, baby-proofing, feeding/nutrition, dental health, childcare, culturally based safety issues, etc.
- ALL health & safety concerns that may be detrimental to the parents or children should be addressed
- Frequency of documentation is dependent on family need
